## Adapters

Located right in the Pittsburgh, Pennsylvania area, RL Miller can provide you with many different adapter products to suit your needs. We offer rubber hose adapters, which are shown to the

Rubber Hose

right. We also have male and female NPT adapters available. Our brewery hose barb adapter is suitable for use with band clamps and can be purchased through RL Miller.

## Valves

Our stainless steel ball valves are rated at 100 PSI saturated steam. We also provide multi-port sanitary stainless steel ball valves and sanitary butterfly valves. Ask a sales representative about the variety offered.

## Gaskets

We also supply an assortment of clamp gaskets. Our Buna-N Clamp Gaskets can be purchased in Black or white. We also provide Metal Detectable Clamp Gaskets. These gaskets are impregnated with stainless steel particles which allows the gasket or the gasket pieces to be found with metal detection equipment.

Call or email RL Miller for a full size chart. Our contact information is located on the back of the brochure.

## Clamps

Many types of clamps are offered including Single Pin Heavy Duty Clamps with Pin Heavy Duty Clamps with Cross Hole Wing Nuts (as shown to the left), and Three Segment Clamps (as shown to the right). Clamps can be designed using stainless steel. However, there are other alloys available. Please stop into our store or give us a call for a list of available clamps.
